# Camp Information

## ADMISSION TO THE POOL:

All campers 6 years of age and older must complete a facility swim test. The purpose of the swim test is to assess the campers swimming abilities. The swim test includes, but is not limited to swimming 2 widths of the pool and treading water for 1 minute.

All campers who are unable to pass the facility swim test will be directly supervised by a camp counsellor who is in the water, within arm's reach, able to render immediate assistance. Campers must wear a lifejacket and remain in the shallow end of the lap pool & leisure pool. This group will have a maximum ratio of 4 campers per camp counsellor. Campers will be given a red wristband.

Campers who pass the swim test are permitted to use any part of the pool without a lifejacket. This group will have a maximum ratio of 8 campers per camp counsellor. Campers who pass the test will be given a green wristband.

**Slide Policy:** All riders must be 48 inches in height and complete the facility swim test in order to ride the waterslide. PFD's are not permitted on the waterslide.

Lifejackets will be supplied to campers that are required to wear them. Parents are not required to send a lifejacket with their child to camp.

## WHAT SHOULD PARENTS KNOW?

- Staff strictly adhere to a sign in/ sign out system. You will be asked to sign your initials each time you drop off & pick up your child.
- A permission form will be distributed the first day of camp with respect to who will be permitted to pick up your child, or if they are allowed to leave unaccompanied.
- In order to make camp a positive experience please include, at time of registration, details on any special needs, allergies, personal care issues or medical concerns.
- If your child is bringing medication to camp, please list the type of medication, dosage & times for the medication to be taken. Medication must be brought in an original labelled prescription container. Counsellors will not administer medication.
- Technology such as cell phones, iPods, iPads, portable games are to remain at home.
- The Saturday or Sunday before your child attends camp, you will receive a telephone call from one of the counsellors in your child's camp. You will learn about what your child needs to bring to camp, where & when activities will occur (including trips) & any special activities that are planned. This is a great opportunity to ask counsellors questions about your child's experience.

**Please Note:** Counsellors will only try to call once over the weekend. An answering machine is highly recommended.

- The weekly themes for Camps Critter, Koala, Coyote, Kodiak, Caribou and Grizzly will be applied to some of the games and activities throughout the week. Please keep in mind these camp programs are considered general recreational day camp and not specialty camp programs. For specialty camps that focus exclusively on a certain activity or theme please see page 108 to 110 of the Spring & Summer Leisure Guide.

Please review the following safety-oriented rules with your child to ensure camper safety.

- Campers will not be permitted to leave the site without a staff member accompanying them.
- It is expected that campers will not intentionally harm themselves or others. Bullying & play fighting are not appropriate behaviours for camp.
- It is expected that all campers are to respect others, including fellow campers and staff.
- All campers and counsellors are expected to clean up after themselves at the end of each activity session.
- The Department of Leisure Services reserves the right to suspend or withdraw a camper from the program if the enjoyment & safety for themselves or others is jeopardized. Camp staff will contact parents or guardians to make arrangements to pick up their child from camp as soon as possible.

## ACCESSIBLE INCLUSIVE RECREATION

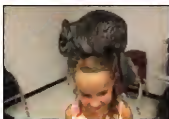

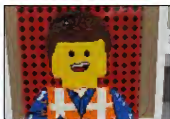

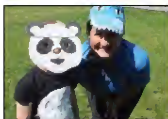

"Accommodating Participants with Special Needs"

The Town of Bradford West Gwillimbury promotes and encourages campers with special needs or disabilities (physical, emotional, developmental or intellectual, medical, behavioural) to participate in a wide variety of activities offered by the Department of Leisure Services. The objective is to facilitate meaningful participation for all. See pages 11 and 12 for more information.

## ASSESSING A CAMPER'S NEED FOR SUPPORT:

A camper requires extra support if any of the following apply:

- support is required at school in the classroom.
- a physical, medical, developmental and or learning disability exists that affects the safety of the participant or that of other participants.
- extra support needed at home for basic care such as dressing and toileting.
- participant is currently associated with a support agency or program.
- will the specific program and type of activities within the camp program be suitable for the child's needs, abilities and interests.

# Camp Information

If you have answered yes to any of these questions then your child may need support. Please contact Nancy Shortill Thatcher, Recreation Coordinator at (905) 775-7529, extension 8301 for Summer Day Camp programs and Bethany Kuboniwa, Aquatic Programmer, at (905) 775-7529, extension 8402 for Summer Aquatic Camp programs.

## INCLUSION SUPPORT

The Department of Leisure Services employs staff for the summer period to work specifically as inclusion support with children who have special needs and/or a disability. The inclusion support is a limited resource and is available on a first come, first served basis and is available for a maximum of one week per child at the designated camp program. (Additional fees will apply for additional weeks inclusion support requested with the summer inclusion staff). Inclusion support is only offered for camp programs from 9:00 am to 4:00 pm. Inclusion support is not provided for extended care periods from 7:00 am to 9:00 am and 4:00 to 6:00 pm.

The determination of the need for inclusion support is typically through a consultation process via an agency such as Simcoe Community Services, Catulpa Community Support Services or Respite Services. Once families have made a connection with one of these agencies then in turn the agency will contact the Recreation Coordinator.

A Camper Profile Package is to be completed by each family prior to registering your child. All information is kept confidential. In order for the child to experience success in camp programs it is important to consider the child's ability, age, need and type of activities that take place within the

programs. Communication and cooperation between all parties will ensure a safe and fun environment.

Prior to completing the Camper Information Package and registering, call Nancy Shortill-Thatcher for Summer Day Camp programs at (905) 775 PLAY(7529) extension 8301, or Bethany Kuboniwa at extension 8402 for Summer Aquatic camp programs. The Department of Leisure Services wishes to ensure that your child's needs are fully understood.

Registering early allows staff to plan an accessible recreational experience for your child.

If you are providing your own mediator please let us know details on who will be providing support. Staff will be required to speak with your mediator prior to attending the camp programs so he/she understand the camp expectations and procedures and his/her role for providing support for your child. It is required that any mediators provided have completed a vulnerable screening, first aid and cpr or related lifeguard certifications for aquatic camps.

## MEDICAL NEEDS AND OR MEDICATIONS:

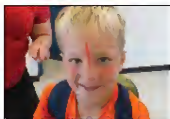

If your child is bringing medication to camp, please list the type of medication, dosage & times for the medication to be taken. Medication must be brought in an original labelled prescription container. Counsellors will not administer medication.

Camp staff will not provide any ongoing, medical intervention, supports or therapies, such as injections, G-tube feedings. Strategies and accommodations as applicable and appropriate to the program environment will be supported.
